The 1<sup>st</sup> Marine Division Association (FMDA) was formed on August 7, 1947, the anniversary of the Guadalcanal landing, by veterans who campaigned under the battle colors of the 1st Marine Division, the most decorated military unit in American history.

**The primary mission of the FMDA is its Scholarship Program for dependents of honorably discharged veterans, now deceased from any cause or totally and permanently disabled, who served in the 1st Marine Division.** The scholarship program is supported entirely by voluntary donations from Association members. Since the start of the program, some 522 students have received over \$1.5 million in tuition assistance.

In recent years, declining revenues from dues and donations forced the Association to separate the scholarship fund (now designated as an IRS 501(c)(3) non-profit organization) and its corporate support group. Although many steps have been taken over the past several years to reinforce the corporate support group's financial footing, it is clear that a major fund-raising effort must commence to insure the long-term viability of this wonderful organization. This event is the first of many events that will be conducted over the next several years under the auspices of Operation "GREEN DRAGON," the FMDA's financial recovery program.

**The Association's corporate support group, headquartered in Oceanside, California, is an IRS 501(C)(19) non-profit organization.**

This golf tournament is a "four player, best ball scramble" format, with spots for up to 144 golfers. The cost to participate is \$ 60.00 per player, which includes a riding cart and green fees, and BBQ dinner after the tournament. Prizes include low team scores:

✓ **1<sup>st</sup> place team = \$400    2<sup>nd</sup> place = \$300    3<sup>rd</sup> place = \$200**

- ✓ Longest drive and closest to the hole competitions will be awarded.
- ✓ "Mulligans" and "Skirts" are available for \$ 5.00 each (limit one each per player).

*NOTE: Prize money is based on a "full field" of at least 100 players; prize money will be "pro-rated" downward if fewer players show up.*

We are seeking corporate sponsors to "host holes" for \$ 100.00 each, and to donate prizes for door prize and raffle drawings.
